

TEMPORARY ON-STREET PARKING PLACARD PERMIT

For special circumstances such as construction, a driveway replacement, overnight guests, etc., the City offers a temporary dashboard parking placard (free of charge) that may be issued for a few days as needed, not to exceed 15 days per year.

Please note that this is not the same as the Annual On-Street Parking Permit.

For further information please call City Hall (310) 377-1577.
